EXPERIENCE

OPERATIONS MANAGER • PLATINUM CONVERSIONS • 2020-2021
I was responsible for ensuring employees were on time and conducted their work in a professional manner as well as building customer relationships and occasionally assisting employees with their assigned tasks.

IRONWORKER • LOCAL 66 • 2019-2020
I was a union Ironworker performing construction work on multiple projects around the city of San Antonio, particularly maintenance on specialty equipment at the Toyota Plant and certain Hilton hotels in the downtown area.

Field Sales Representative • Taurex Drill Bits • 2017-2019
I worked as a sales representative for an oilfield drill bit manufacturer, my duties at this position included building customer relationships and executing sales and deliveries on a 24hr schedule.

EDUCATION

BBA IN CYBERSECUIRTY • CURRENTLY ATTENDING • UTSA

I am currently working towards my degree in the Cybersecurity field in order to bring more skills to my future in the financial sector.

MILITARY EXPERIENCE

I served from Oct. 2007-Dec. 2011 as an Infantry Machine Gunner in the Marine Corps. During this time, I deployed on board the USS New Orleans to many locations across southeast Asia, the Middle East and Africa. My second deployment was to Afghanistan as part of a personal security detail to VIP's including elected officials and celebrities.
